

THE EAGLE HOUR PROGRAM

The 1:00-2:00 hour has been set aside for those Scouts who wish to work on the merit badges that are required for the Eagle rank and others that are not offered during the regular sessions.

The Citizenship merit badges and others will be offered depending on the availability of qualified merit badge counselors.

A list of available offerings will be handed out at the Sunday evening unit leaders meeting.

It is important to remind your Scouts, they may not be able to earn the whole merit badge while at camp, since many of them have “timed” requirements.

However, Scouts can earn partials and finish the merit badge in their home communities. Scouts that work on requirements prior to camp are encouraged to bring in “proof” in order to complete the merit badge at camp.
